

PROFILE

Evolan Pharma is a Swedish Pharmaceutical Company based in Stockholm. Here in the UK & Ireland, our portfolio includes our Zinc Oxide products, Ichthopaste Bandage, Viscopaste PB7 Bandage and Zipzoc Stocking, used in the treatment of venous leg ulcers and their associated skin conditions and to provide moisturising treatment in the management of dermatological skin conditions such as eczema and dermatitis. Our wound care products have been used for decades and are trusted by many clinicians with the knowledge that zinc oxide is an essential trace element for wound healing and tissue repair.

TRAINING & EDUCATION

Evolan is committed to providing our customers with the education and training required to treat patients effectively with our products.

Whether you are interested in using our products for the first time or require on-going support for your team, we provide a completely free of charge education and training service which is delivered by a Registered Nurse with extensive wound care and lower limb management experience. Training is delivered face to face or by virtual methods to suit your needs and will include clinical indications for use, application and technical information relating to our products. Alternatively, we will assist with the facilitation of your own bespoke training courses. Contact us for more details.

In summary, education and training is available via:

- Face to face delivery
- Online using TEAMS, Facetime, Zoom, Skype
- Website – www.pastebandagesevolans.com
 - Product tutorial video
 - Downloadable application guides and brochures
 - Clinical evidence / reading list
 - Clinical indications – skin and wound
 - Our active ingredient compounds
 - Frequently asked questions

WHEN YOU NEED SUPPORT...WE RESPOND

If there are times when you require a little extra support, we are here to help.

We can be contacted by phone or email using the contact details opposite. We will respond to you.

Alternatively, we can be reached from our social media – send us a message via Facebook or LinkedIn and we will respond within 24 hours.

EVOLAN.
